
Please remember the next clubmeeting is Wednesday October 17th, we hope to see you

Our President and Editor of the Newsletter, is hopefully enjoying a well deserved vacation in the UK, it is therefore that this Newsletter looks a bit different from the usual.

I promised in the September issue of this Newsletter to come up with some info on the EURO, Since I had very little time available, I must ask you to wait till next month.

NAME-PLATES.

Before leaving, Bob Watson managed to make nameplates for all the members. They will be available at the meetings and we would ask you to wear these during these get-togethers. We would also like to ask the membership to leave these plates after the meeting so we can use them again and again.

\$ 1,000,000.== Dollar Questions . Solutions for September:

When did the Romans started to us vehicles for Mail delivery ???? = 250 BC =
Which country promised E-mail for all citizens over 6 yrs ?? = SWEDEN, Its unknown whether they succeeded as yet .

AN OTHER FIRST:

For the first time in Postal History, The Netherlands issued a stamp on September 25th, which is MINTED, not printed. The Gld. 12.75 stamp is 21 x 25 mm has a thickness of 0.1 mm and is Silver .999. Besides the fact that it is silver and Minted, it is also the last stamp to be issued with a value only in Dutch Guilders, which will cease to exist on January 1st 2002, and will be replaced by the Euro. A total of 1 million stamps were MINTED.

THE STAMPS NEVER ISSUED.

On Tuesday October 16th, Greenland will issue Three stamps Resp. 5.75, 8.00 and 21.00 DKK. These stamp will show three designs, Northern Light, a Seal and a Polar Bear. These stamps were designed by Harry Nielsen in ---- 1932 ----- They were supposed to be the first stamps to be issued by Greenland after becoming an official postal administration, which it became on 17 September 1938. They look like stamps on stamps but they are not.

MORE GREENLAND NEWS.

Every one who wants to write to Santa Claus in Greenland, will receive from him a letter, franked with a Greenland stamp and cancelled with Santa's own special cancelation The address to write to in Nuuk is.
